## Memorandum

October 27, 2008

### CONSTRUCTION MEMORANDUM 08-13

TO: District Deputy Commissioners  
District Construction Engineers  
District Testing Engineers  
District Area Engineers  
Project Engineers/Supervisors

FROM: Mark A. Miller, Director *Macemiller*  
Division of Construction Management

SUBJECT: List of ATSSA Approved Equal Worksite Traffic Supervisor Certifications

Section 801.03 of the Standard Specifications reads in part:

*"A worksite traffic supervisor certified by the American Traffic Safety Service Association, ATSSA, or approved equal certifying organization, shall direct all field layout, placement, operation, maintenance, and removal of temporary traffic control devices."*

In order to define ATSSA approved equal certifying organizations, a List of ATSSA Approved Equal Worksite Traffic Supervisor Certifications is now maintained on the Department's website at <http://www.in.gov/indot/7147.htm>.

Any person that has a current certification from ATSSA or one of the organizations on the List of ATSSA Approved Equal Worksite Traffic Supervisor Certifications will be considered to have met the requirements of 801.03 for a worksite traffic supervisor. A copy of the traffic supervisor's certification should be requested by the PE/S and kept on file in the project office.

Please direct any questions regarding this matter to the Division of Construction Management.
